

SIouxLAND DISTRICT HEALTH DEPARTMENT SEXUALLY TRANSMITTED DISEASE CLINIC

Hours: 8:00 AM-4:00 PM, Monday thru Friday

Costs: COSTS VARY

The vast majority of services are free, but costs may apply for certain tests in lower risk populations.

SDHD will test people from anywhere... you do not have to be a Woodbury County or Iowa resident to be tested for STDs.

We ask that patients call to schedule an appointment for testing services. To make an appointment, call: 712-279-6119 or 1-800-587-3005

Standard testing for STD's includes [chlamydia](#) , [gonorrhea](#) , and [syphilis](#) testing. Visual examination for herpes and and genital warts is also performed. Vaginal infections such as trichomonas, bacterial vaginosis, yeast infection are also checked for during female exams.

[HIV](#) and hepatitis testing is also available, but some fees may apply.

"Fighter panel": HIV/HEP B/HEP C testing = \$50. Results for HIV testing are available the same day of collection, but HEP B and HEP C can take up to 1 week for test results.

Treatment of chlamydia, gonorrhea, and syphilis is available at SDHD at no charge in many cases. Depending on risk factors there could possibly be a \$25 charge for a chlamydia/gonorrhea test.

For more information call 712-279-6119 or 1-800-587-3005.
